MEMORANDUM FOR MR. DULLES:

1. This memorandum is for information only.
2. Herewith is our file copy of the text of the President's talk to the American Newspaper Publishers' Association at the Waldorf-Astoria in New York on 27 April 1961. Also attached are the Thermofax copies of the papers furnished to the President last April via Charles Bartlett. Most of these refer to the publicity on Cuba; some on Laos. I am also enclosing a copy of your interview with David Lawrence and his staff, "We Tell Russia Too Much;" Mark Watson's article of this morning on the Minuteman ICBM; and a statement of Russian rocket strength put out today by NATO.
3. We will continue to look for other data, but apparently the other clippings that we furnished were consolidated elsewhere and we have been unable to locate them.
